SECTION 4: FIRST AID MEASURES

Description of First Aid Measures

General: Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).

Inhalation: When symptoms occur, go into open air and ventilate suspected area.

Skin Contact: Gently wash exposed area with soap and water.

Eye Contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Ingestion: Rinse mouth thoroughly with water. Do NOT induce vomiting.

Most Important Symptoms and Effects, Both Acute and Delayed

General:

No symptoms are expected under normal conditions of use. Fine shavings and dust from machining or cutting may cause mechanical irritation to eyes, nose, throat, and lungs.

Inhalation: Not expected to present a significant inhalation hazard under anticipated conditions of normal use. Dust may cause temporary irritation to upper respiratory tract.

Skin Contact: Not irritating to skin. Mechanical injury only.

Eye Contact: Eye contact is not considered a potential route of exposure. Solid or dust may cause irritation or corneal injury due to abrasion.

Ingestion: No adverse effects anticipated other than obstruction if swallowed. Considered physiologically inert.

Chronic Symptoms: None expected under normal conditions of use.

Indication of Any Immediate Medical Attention and Special Treatment Needed

If you feel unwell, seek medical advice (show the label where possible).

SECTION 5: FIRE-FIGHTING MEASURES

Extinguishing Media

Suitable Extinguishing Agents: Water fog, foam, alcohol foam, carbon dioxide, dry chemical.

Firefighting instructions: Do not breathe fumes from fires or vapors from decomposition. Do not allow run-off from firefighting to enter drains or water courses.

Protection During Firefighting: Do not enter fire area without proper equipment, including respiratory protection.

Hazardous Combustion Products: Smoke and noxious gases (carbon monoxide and hydrocarbons).

SECTION 6: ACCIDENTAL RELEASE MEASURES

Personal Precautions, Protective Equipment and Emergency Procedures

General Measures: No special measures required.

Protective Equipment: Use appropriate personal protection equipment (PPE).

Emergency Procedures: Evacuate unnecessary personnel. Upon arrival at the scene, a first responder is expected to recognize the presence of dangerous goods, protect oneself and the public, secure the area, and call for the assistance of trained personnel as soon as conditions permit.

Environmental Precautions

Prevent entry to sewers and public waters.

Methods and Material for Containment and Cleaning Up

For Containment: Contain and collect as any solid.

Methods for Cleaning Up: Carefully sweep up spilled material and place in suitable container for disposal. Material does not leech. Bury in landfill or burn in appropriate incinerator in accordance with all applicable federal, state and local regulations.
